

ALABASTER ESTATES

Elopements & Split Days — 2027

ELOPEMENTS — \$3,000

Three hours. One altar. Just you.

- Three hours at the white-stone altar of your choice — The Sentinels, The Basalt Tower, or The Alabaster Tower — inside the 8 a.m.–10 p.m. day.
- Up to 20 guests, with our wooden ceremony benches.
- Each altar has its own private grounds — celebrations never cross paths.
- Book up to 90 days ahead for a weekday, 60 days ahead for an off-season weekend.
- Not available on gold-window or peak-season weekends — those belong to full weddings.

SPLIT DAYS — 70% OF THE DAY RATE, PER HALF

Two celebrations, one date

- Morning celebration: 7 a.m.–1 p.m. Evening celebration: 4–10 p.m. A three-hour reset between.
- Each couple pays 70% of that day's full-day rate — a Peak Season Saturday half is \$7,000 (vs. \$10,000 for the full day).
- Each half includes everything a full day includes: your altar, your private feast ground, the dining theater, getting-ready spaces, and restrooms.

THE FINE PRINT

- Reserving: a 50% deposit holds your date; the balance is due four months before. \$1,000 refundable damage deposit and day-of liability insurance (~\$125) required.
- Licensed bartender required for alcohol; \$500 non-refundable liability fee if you bring your own.
- No open flame of any kind — battery candles welcome. No confetti, glitter, or fireworks.
- Rehearsals: your coordinator runs it on the day, right before the ceremony — or use the open hour before your booking.
- Bring your own sound — we provide power. Leashed dogs welcome for the ceremony and photos.
